6. The licensor warrants that they are entitled to grant licence and that a licensee's exercise of the licence will not infringe third party rights.

Warranty

7. The licensor warrants that the supplied assessment resources will provide for assessment in accordance with the requirements of the training package for the qualification and release identified above.
8. If the supplied assessment resources are found non-compliant during a regulatory audit, the licensor will undertake further development work at no cost and re-supply the original assessment resources with rectifications in order to demonstrate compliance. This warranty is valid for two years from the date the license to the resources was issued.
9. This warranty is limited to assessment resources issued relating to the training package version at the time of its issue. It is the responsibility of the licensee to undertake appropriate transition amendments when training packages are superseded. The warranty is also limited to specifically named units of competency listed within an audit report issued by a regulator with the vocational education and training sector.
10. This warranty does not apply if non-compliances identified during a regulatory audit are the result of amendments or customisations made by the licensee and not the result of the original design of the assessment issued by the licensor.
